Here is your WellCare of North Carolina provider directory. It lists all of the providers in our network. These providers include:

- Primary care providers (PCPs) and specialists
- Hospitals
- Pharmacies

Each of these providers will make his or her own decisions about the care you need. WellCare of North Carolina is not responsible for these decisions. Some providers may not perform certain services due to their religious or moral beliefs.

We've listed all of the providers by county. Then we've grouped them together by the type of care or services they give. We've also included:

- The providers' addresses and phone numbers
- Symbols to tell you whether the provider is accepting new patients, board certified or wheelchair accessible

We have a provider look-up tool on our website. Go to **www.wellcarenc.com**. Then click on the "Find a Provider" icon. You'll be able to search for providers right in your area. This is the best place to get our most current directory information.

Call us if you have questions about this directory. We can help you find a provider. We can even help set up an appointment for you. Our toll-free number is **1-866-799-5318**. TTY users can call **711**. You can reach us Monday-Saturday, 7 a.m. to 6 p.m.

Cultural Competency training informs providers on how to care for all patients. This includes those with diverse and culturally sensitive needs.

We wish you good health.
